The final week of the County Health Department's mobile chest x-ray program in the Torrance Health District starts Monday, when the big green truck will move to Redondo Beach where it will be located at 100 El Paseo, Monday and Tuesday, according to Dr. B. A. Kogan, District Health Officer.

The unit will be at the Redondo Beach Health Center, 217 Berry St., Wednesday, Thursday and Friday, Sept. 24 through the 26th. Hours when service is available are 1 to 7 p.m., Thursday and 9:30 a.m. to 3:30 p.m. Wednesday and Friday.

COME HOME BEAU—Half sister Fawn and new owners, Mr. and Mrs. William Detlef of South Bay Kennels are anxiously awaiting return of Shetland sheep dog purchased only Friday. Fawn poses to show general appearance of the unusual breed of dog.

Owners Seek Lost Sheltie

Beau, recently acquired Shetland sheep dog of the South Bay Kennels, 1405 W. 228 st., has run away. His owners, Belva and William L. Detlef, are anxious to have him returned and are advertising in the Torrance Press in the hopes someone will help them locate their animal.

The lost dog is said to be an unusual breed in this locality. For this reason his owners believe he might be easily recognized. He is mahogany color with a white collar and has a perfect diamond of white on his forehead. He is two years old.

Beau has been kennel raised and was purchased by the Detlofs only Friday as breeding and show stock for their kennels where they now have 11 dogs of varying ages.

Plans to have theatre so is not used for freedom. His escape was made Saturday morning during a "train to the leash" session with his master.
